NEW LIBRARY IS PLANNED FOR SCHOOLS

TEACHERS OF RANDALL COUNTY BACKS ORGANIZATION

New Plan Will Establish Library to be Circulated Among County Schools.

S. B. Orton, county judge elect, announces that the Randall County Teachers Association is sponsoring the establishment of a new circulating library for the rural schools of the county, and that it will be in operation shortly after the first of the year.

At the regular monthly meeting of the association Saturday afternoon at the court house a constitution and by-laws for the new library organization were adopted, and details of the library worked out.

The memberships in the new library association will cost \$10.00 each and the various schools of the county may hold as many memberships as they care to purchase. All the money received from the payment of membership fees will be spent exclusively for books. The books will be purchased by a committee, of which the county judge shall be chairman.

It is the plan of the new organization to divide the books belonging to the circulating library into boxes, and there shall be six more boxes than there are memberships in the association.

Each school in the county will be allowed to use at any time as many boxes of books as that school has memberships in the association.

Mr. Orton states that practically every school in the county has signified its intention of joining in the move for the establishment of the new library and he feels sure that the books will be in circulation shortly after the first of January.

Besides adopting the constitution of the library association, the county teachers discussed in detail, the work for the year in the county interscholastic league.

Dean R. P. Jarrett Leaves to Attend Education Meets

Dean R. P. Jarrett left last night for Houston where he will represent the West Texas State Teachers College at the meetings of the State Teachers Association. A meeting of the Teachers College Section, a meeting of extension workers, and a breakfast to be attended by the ex-students and former faculty members of the college will be among the meetings which Dr. Jarrett will attend in Houston.

Following the Houston meeting Dean Jarrett will go to Atlanta, Georgia, to represent the local college at the annual meeting of the Association of Colleges and Secondary schools of the Southern States, of which the college here is a member.

While in Georgia Dr. Jarrett will be able to meet many members of his family who still live in the locality in which he was born.

KINGSVILLE REPRESENTATIVE VISITED COLLEGE TUESDAY

Representative Ed Dunlap of the Kingsville District was a visitor in Canyon Tuesday.

Mr. Dunlap was becoming acquainted with the Panhandle region, this being his first visit to the Plains.

Mr. Dunlap visited President J. A. Hill and inspected the plant of W. T. He expressed great satisfaction at the conditions he found here. Mr. Dunlap conferred with Representative Clyde Warwick regarding the work of the coming session of the legislature while in the city.

Miss Hattie M. Anderson, Miss Anna I. Hibbets and Miss Marion Normington left last night for Houston where they will attend the Texas State Teachers Association.

Mr. and Mrs. Robert Foster spent Sunday in Panhandle.

Services Thursday For Thanksgiving

The annual Thanksgiving Union Services will be held at the First Presbyterian Church, Thursday morning at 10 o'clock. Rev. C. E. Jameson, pastor of the First Methodist Church will deliver the message.

Rev. W. C. Kunze, pastor of the Presbyterian church states that the time set for the services were decided upon following a meeting of the pastors of the city. He urges a large attendance at the services for Thursday morning.

Relation of Town and Country Subject Rotary Meet

The Rotary meeting Tuesday was in charge of the Rural Urban committee, composed of T. C. Thompson, Wm. Ash and Byrle Elliston.

L. N. George, secretary of the Chamber of Commerce made a talk on "What the people of Canyon may do for the farmers." Mr. George pointed out the fact that no country rises above the soil, and that the efficiency of soil production marks the civilization of the nation. Canyon is noted for its friendliness among the citizens, stated Mr. George, who stated that he had heard that students took that report back home. The citizens of Canyon co-operate with each other to a very great extent, and the reputation of the city has extended over the plains. This friendliness and co-operation should be extended to the farmers of the county. The county agent has demonstrated the wonderful possibilities of Randall county. There is no better town or better country in Texas; now to get both to working in the same direction to secure the best results. Canyon needs the co-operation of the farmers, and the farmers need the co-operation of Canyon.

Mr. Elliston stated that while over in New Mexico he found that people knew all of their neighbors for 25 miles around, just like they used to do on the Plains, and that neighbors visited one with another. He found some interesting things over there which should come to the Historical Society's museum.

Mr. Thompson closed the program with a short talk on the spirit of Thanksgiving, and how greatly thankful the people of the county should be.

Earl Robbins proposed an attendance contest with some of the neighboring Rotary Clubs, and was authorized to challenge a club for such a contest, the losers to entertain the winners.

Visiting Rotarians were: Ed Enoch and Leroy White of Amarillo; guests were R. E. Galloway of Amarillo, L. N. George and George Cox of Canyon.

Nature Magazine Has Haley Work; Photos by Davis

The December issue of "Nature Magazine" is devoted to Texas and one of the principal articles in it is written by J. Evetts Haley, a member of the class of 1925 of the West Texas State Teachers College.

Haley is well known throughout the entire Panhandle region because of his work as field secretary of the Panhandle-Plains Historical Society.

"Longhorn, Lasso and Latigo" is the subject of the current article which deals with the picturesque phases of the cattle industry in Texas. Photographs of scenes on the X. I. T. and Matador ranches, one of Colonel Charles Goodnight standing by a magnificent buffalo head, and the Panhandle's windmills, illustrate the article.

Ray V. Davis is one of a small group of Texas photographers whose work appears in the current number of Nature Magazine which is devoted to Texas. "Along the Famous Palo Duro Canyon" is the caption of the picture made by Mr. Davis. It is used to illustrate an article by J. Frank Dobie.

Grady Wallace Former Resident Buried Sunday

The body of Grady Wallace, 34, of Logan, New Mexico, who died Saturday following exposure in the snow storm which gripped the states of Colorado and New Mexico last week, was brought here for burial. Funeral services were conducted at the First Methodist Church Sunday afternoon at 4 o'clock, with Rev. C. E. Jameson, pastor of the church in charge.

Mr. Wallace was said to be enroute from Logan to Santa Fe, New Mexico, Tuesday of last week when caught in the storm. He died Saturday morning at Enico, New Mexico, where he been carried for medical treatment.

He was the son of Mr. and Mrs. W. L. Wallace and formerly lived here. He was born in Hamilton county, Texas, March 23, 1896.

The deceased is survived by his wife and one child, his parents, four sisters, and four brothers.

Pall bearers were: Grady Oldham, K. E. Prieze, Alvin McDonald, Wallace Hazlewood, L. A. Donnell, all of Canyon, and Bert Douglas of Tulsa.

Interment was at Dreamland Cemetery, under the direction of the Thompson-Griggs Funeral Home.

More Cows in County Plane on Merit Test

J. W. Millermon, Randall county farmer and Jersey breeder has just been notified by the American Jersey Cattle Club that two cows in his herd have passed the official test for register of merit certificates, one two year old cow making the silver medal requirements of the association.

These two cows, Gambo's King's Victoria 808728 and Edith Rochette's Gambo 836556, produced 461.73 and 327.67 pounds of butterfat during the time they were on test. The former one was on test 305 days and the latter one 269 days.

Mr. Millermon now has three Jersey cows which have completed the requirements for the register of merit certificates, one having been awarded honors several months ago.

Miss Jennie C. Ritchie will spend Thanksgiving in Plainview as the guest of Mr. and Mrs. Frank Day. Miss Jean Day, a sophomore student will accompany her and visit at her home.

PLAN TO STAGE SECOND ANNUAL C. OF C. CONTEST

THREE PRIZES TO BE GIVEN IN TWO DIVISIONS.

Chamber of Commerce Will Put Up Decorations on Square About December 1.

The Canyon Chamber of Commerce will sponsor another Christmas decoration contest again this year according to President J. W. Kleinschmidt, who states that plans for the contest are well under way.

The contest which was held last year proved to be so popular and was so successful that the organization has found much demand for it again this year.

At present, the body is outlining plans for three prizes to be awarded in each of the two divisions, namely, the business houses and the residences. It is probable that the same rules, or similar ones to those of last year, will be followed again this year.

In connection with the Christmas decorations, President Kleinschmidt states that the Chamber of Commerce is figuring with the firm which has the contract for decorating the city of Amarillo and hope to obtain a lot of decorations for Canyon at wholesale price.

The lights which were placed around the square last year were purchased by the Chamber of Commerce and will be placed there again this year about the first of December. It is hoped that the business houses and the residences will put up their special Christmas lighting about the first of December.

The Chamber of Commerce is making an appeal to the people of Canyon who plan to enter the contest, or others who plan to decorate their home and places of business to do so as soon as possible. It is pointed out that by decorating early in the holiday season, the city will be more beautiful for a longer period of time.

DR. FRANK NORRIS WILL SPEAK HERE FRIDAY A. M.

Dr. Frank Norris, pastor of the First Baptist Church of Fort Worth, will speak at the Methodist church in Canyon Friday morning at 10:00 a. m. Dr. Norris is conducting a revival meeting in Amarillo, and friends asked him to come to Canyon Friday for a talk.

Proclamation

WHEREAS, our Pilgrim forefathers, who braved the hardships and toil of this new continent, stopped in their work and established a custom of offering Thanks to God, at the close of the harvest season, and

WHEREAS, the President of the United States has proclaimed that Thursday, November 27th is to be set aside as a day of Thanksgiving for this nation, and

WHEREAS, we as a people have much to be thankful for and should halt in our business life long enough to give due thanks to our Heavenly Father.

THEREFORE, be it ordered that all business houses of Canyon, who can, without violating their pledge to public service, remain closed on this day, and all citizens enjoying the many blessings of this nation offer thanks on this day.

Given under my hand and seal this, the 25th day of November, A. D. Nineteen hundred and thirty.

R. A. BELLAH,
Mayor City of Canyon.

INDIANS PLAY BUFFS HERE IN FINAL GAME

TURKEY DAY CLASH CLOSES CURRENT SEASON.

Four Members of Buffalo Crew to Witness Last Grid Game for Alma Mater.

The Indians, accompanied by the McMurry College Band and a large group of McMurry rooters, are expected to arrive here on the Santa Fe train Thursday morning, according to word received in Canyon from the officials of the Abilene institution.

The 1930 football curtain will be rung down for the West Texas Buffaloes Thursday afternoon, when they play McMurry Indians in the annual Turkey Day clash at Buffalo stadium. The game will mark the final appearance of four Buffalo players on the West Texas gridiron.

The game will determine whether or not the Thundering Herd of Coach Claude Reeds will retain its second place standing in the T. I. A. A. Should the Buffaloes win Thursday, the standing in the conference will be higher than at any other time in the history of the College.

The football teams of the two schools have met for the past five years and have always furnished the fans an afternoon of entertainment. Last year the Indians staged a rally to defeat the Buffaloes 19-16 after the Buffaloes had scored their 16 points.

The Warriors of Abilene have always been a real threat and promise to fight for all they can get this year. The team which Coach Medley has placed on the field during the current season has met with reasonable success. They defeated Daniel Baker, which team fought to a scoreless tie with the Buffaloes on a muddy field.

Coach Reeds stated Monday that his squad fared badly in the Saturday fray at Amarillo, so far as injuries were concerned. In the tussle with the Simmons crew of Cowboys, three Buffaloes were injured to the extent that in all probability they will not be in the starting line-up for the Indian game. Penick will be out with an injured hip; Maney will be out with an injured leg, and Cooper will not see action because of leg injuries.

Several other members of the Buffalo squad were injured but they will not be forced to remain from the line-up because of the injuries they received. Penick is one of the four members of the 1930 squad who was scheduled to play his last game in the affair with McMurry.

McLean Students Appreciate Visit Hill and George

Expressing appreciation of the visit recently made in McLean by President J. A. Hill and L. N. George, secretary of the ExStudents Association, the following resolution was passed by the high school students of that city:

In as much as Dr. J. A. Hill has taken his time to come to McLean to speak to the student body and organizations of the town, we the undersigned, in behalf of our classes, wish to express our appreciation to him, as well as to Mr. L. N. George, and the quartette for their kindness.

Basketball Team Begins Practice on Next Monday

Coach S. D. Burton has issued a call for basketball practice at the College to begin next Monday. The schedule for the basketball season will be announced following a meeting of members of the Texas Intercollegiate Athletic Association to be held in Dallas early in December. It is not likely that any basketball games will be played until after the Christmas holidays.

Burton states that he has no predictions to make for the 1931 team of basketballers of West Texas, as his entire squad with the exception of four or five men will be new. The Buffalo quintet will be somewhat in the unknown quantity until after the season gets under way.

Several months ago the Buffalo officials signed a contract to play the Phillips 66 team from Bartlesville, Oklahoma, the game to be played in January.

**THANKSGIVING.**

Thanksgiving time is with us once more. Thanksgiving is always a time of rejoicing among some folks, and never a time for thanksgiving with others. It all depends upon the attitude as to how much the day will mean to our people.

Randall county people may be thankful, with full hearts of gratitude, that we are citizens of this fine country. True enough, conditions are not so good as in other years, but we may be thankful that conditions are no worse—that they are not so hard here as in other sections of the nation. We may be thankful that there is enough to eat for all. We may be thankful that all of our people have enough to wear, or are able to procure enough to wear to keep them warm during the winter months. We can be thankful that no great tragedy or catastrophe has visited this county during the past year. We can be thankful that the nation as a whole is at peace with the world, and that no war or other national tragedy is imminent.

While we may regret that conditions are not so good as in other years, let us be truly thankful that for all our people it is no worse.

Texas will gain three more congressmen under the new census if the present rate of representation is adopted. An attempt will be made in the coming session of the congress to exclude certain people from the basis of representation, but this will hardly work. The question of re-districting will likely be a hotly discussed one in the coming session of the legislature. Someone prepared a map of the Panhandle dividing it north and south, primarily for political purposes—largely to give Senator Clint Small and Congressman Jones separate territory. Both of these men have announced opposition to the plan. It is not logical to divide the Panhandle north and south, and it is not just to attempt a division just for political reasons.

Jim Ferguson shows that he is still the master politician. Recently he announced that he would support Ross Sterling in the general election; now he says that he will uphold his hands at Governor of Texas, and will try to make his administration a success. It is a matter well known at Austin that Ferguson harassed Moody at every turn of the road during his four years in office. Moody made

the mistake, or rather showed the weakness of being afraid of Jim Ferguson. Ross Sterling is not afraid of old Jim, and Ferguson knows it. During the Moody administration, Ferguson would say boo, and Dan would jump into the trap set for him. We shall not see that thing happen during the coming two years.

Now that the constitutional amendment has passed the vote of the people reducing the mileage of the legislature and increasing the per diem, some wise birds announce that the reduction is effective at once, but the increase of pay cannot become effective until during the 43rd legislature in 1933. To the laymen, such a position is senseless and indefensible. Technical question by technical lawyers does not strengthen the admiration of the layman for the law or for the lawyer.

It is just four weeks from this Thanksgiving Day until Christmas. Start that Christmas shopping now! With the business houses of Canyon making special inducements on the splendid stocks of merchandise, do your Christmas shopping now—and save money.

W. B. Jones has purchased from L. T. Lester the old John Going house and has moved in.

The Home Mission Society will serve a dinner Thanksgiving Day, beginning at noon in connection with their Bazaar, at the old Garrison land office.

Conference Appointments: Rev. W. B. Wilson is returned here.

Rev. J. F. Robeson is assigned to his old charge at Umbarger.

No change in the presiding elder and Rev. G. S. Hardy still retains his position as President of Clarendon College.

Fred Foster has opened up a "meal at all hours" restaurant down on "the street."

Coal is rather a scarce article in Panhandle towns now. Nothing hardly but siftings here and at Hereford. Plenty of it at the mines and ordered our dealers say, but they can't get the cars.

Born to E. Cohen Pennick and wife on the 20th, a boy.

Born to J. S. Harrison and wife a boy.

It is stated on good authority that work on the extension from here to Plainview will begin next month. H. P. McGee of the Santa Fe civil engineer force has been appointed superintendent of the construction force and is already here to take charge of the work.

Ed True, a young man residing some 17 miles down the canyon, brought in to town Saturday evening a black-tail deer killed by him on the canyon near his home.

A committee representing the various churches in town have met and decided that a Thanksgiving service is to be held at the Christian Church Rev. Hayes to deliver the sermon. Prof. Ernberger is to have charge of the singing.

Talmadge and Co. have shipped their two automobiles, for sometime in use here, back from whence they came. M. W. McKillip, their affable chauffeur, is now out of a job temporarily.

Sunny Hill School

For the last three Sunday nights several people of this community have been attending singing at the Fairview school house. Next Sunday night those of both communities who sing, or who like singing will meet at the Sunny Hill school house for song practice. People of other communities are cordially invited to be here at that time.

The adult Sunday school class was pleased to have four men visitors last Sunday. They were Messrs. T. D. Sumrall, Mr. Lollar, Mr. Penrod, and Mr. Knapp. Mr. Lollar's little daughter visited the intermediate class. Brother Sumrall read some scripture and then made some very helpful remarks about the lesson.

hour, Rev. Sumrall preached a very effective sermon on the subject of Prayer. He has agreed to preach here on the fourth Sunday in each month.

Mr. and Mrs. Rex Roby, Mrs. H. E. Knox and her son, Lester, Corrine Hollabaugh and Ernest and Elora Duncan were supper guests at the J. R. Bonds home Sunday evening. The group attended the singing at Fairview Sunday night.

J. T. Sykes and family visited C. G. Stallings and family Sunday.

Adlyne, Louise and Douglas Groom, and Lucile and Lorene Smith visited the J. T. Sykes home Friday night.

Little Bobbie June Ratjen got kicked in the stomach Tuesday by a horse as she was punching him with a stick to drive him out of her way. It has been reported that she is rapidly recovering.

Clark Neff and family spent Saturday night and Sunday with Mrs. Neff's parents in Amarillo.

Pat Sherwood and family spent Saturday and Saturday night in the Henry Ratjen home.

Hoyt Armstrong of Ellis county is visiting in the J. M. McCorley home this week.

J. E. Goodnight and W. G. Hicks had business in Amarillo Saturday. Mr. and Mrs. Case visited in the McCorley home Friday night to radio.

I. H. Hollabaugh visited R. B. Elliot Sunday. There will be no school Thursday and Friday of this week.

Wayside Items

Enjoying a bit of winter. Plenty of ice, and cold enough, however it's fine. Snow early Thursday morning to blind travelers in places. However Wayside had but a slight fall.

Rev. J. R. Plant, wife and Jack Junior, were with us Sunday. Glad

to have them returned to us. Excellent sermons morning and night with fair congregations.

John T. McGehee and son, J. T., J. R. Stockett and Aleck Whitten left Wayside Friday morning for a few days' stay in New Mexico. They will visit J. M. McGehee while away. His relatives are anxious about him since the severe snow storm.

Mrs. D. L. Adams gave a delightful party Saturday afternoon to two of her grand children, Edith, seven years, and Stanley, six years, children of Loyse and Bonnie Gillham. Sunday, Nov. 23, was the right time but celebrated Saturday. Each had a nice cake with candles. Thirteen little friends enjoyed the afternoon with them. Nice refreshments were served to the group of happy children.

W. D. McGehee returned Saturday from a thirteen days' visit to New Braunfels, Texas. While away he visited Austin, Wichita Falls, and other places. Kelly McGehee and L. B. Rogers came out from Canyon Sunday afternoon with him.

Mrs. J. R. Stockett and Roy, Mrs. Susie McGehee and mother, Mrs. Annie Wesley, Joyce Lane, W. J. Sluder and Roy Franklin attended the drawing at Happy Saturday.

Mrs. J. T. McGehee visited her mother, Mrs. Tom Knox, near Morse, Texas Friday and Saturday. Born to M. E. Counterman and wife, Nov. 20, 1930, a 9 pound son in Happy. Mother and babe are doing well.

This has been a year of health; of peace and love and contentment. Our lives have been guarded over, our homes have become dearer, our hearts have gone out to one another, and our way has been made somehow easier. As a nation, we have borne witness to the fact that the spirit of man and the happiness of man are not at the mercy of a dollar sign. For all of these things, let us give thanks.

**THANKSGIVING.**

Thanksgiving time is with us once more. Thanksgiving is always a time of rejoicing among some folks, and never a time for thanksgiving with others. It all depends upon the attitude as to how much the day will mean to our people.

Randall county people may be thankful, with full hearts of gratitude, that we are citizens of this fine country. True enough, conditions are not so good as in other years, but we may be thankful that conditions are no worse—that they are not so hard here as in other sections of the nation. We may be thankful that there is enough to eat for all. We may be thankful that all of our people have enough to wear, or are able to procure enough to wear to keep them warm during the winter months. We can be thankful that no great tragedy or catastrophe has visited this county during the past year. We can be thankful that the nation as a whole is at peace with the world, and that no war or other national tragedy is imminent.

While we may regret that conditions are not so good as in other years, let us be truly thankful that for all our people it is no worse.

Texas will gain three more congressmen under the new census if the present rate of representation is adopted. An attempt will be made in the coming session of the congress to exclude certain people from the basis of representation, but this will hardly work. The question of re-districting will likely be a hotly discussed one in the coming session of the legislature. Someone prepared a map of the Panhandle dividing it north and south, primarily for political purposes—largely to give Senator Clint Small and Congressman Jones separate territory. Both of these men have announced opposition to the plan. It is not logical to divide the Panhandle north and south, and it is not just to attempt a division just for political reasons.

Jim Ferguson shows that he is still the master politician. Recently he announced that he would support Ross Sterling in the general election; now he says that he will uphold his hands at Governor of Texas, and will try to make his administration a success. It is a matter well known at Austin that Ferguson harassed Moody at every turn of the road during his four years in office. Moody made

the mistake, or rather showed the weakness of being afraid of Jim Ferguson. Ross Sterling is not afraid of old Jim, and Ferguson knows it. During the Moody administration, Ferguson would say boo, and Dan would jump into the trap set for him. We shall not see that thing happen during the coming two years.

Now that the constitutional amendment has passed the vote of the people reducing the mileage of the legislature and increasing the per diem, some wise birds announce that the reduction is effective at once, but the increase of pay cannot become effective until during the 43rd legislature in 1933. To the laymen, such a position is senseless and indefensible. Technical question by technical lawyers does not strengthen the admiration of the layman for the law or for the lawyer.

It is just four weeks from this Thanksgiving Day until Christmas. Start that Christmas shopping now! With the business houses of Canyon making special inducements on the splendid stocks of merchandise, do your Christmas shopping now—and save money.

Fairview Breezes

There was a large crowd at the singing Sunday night. Our regular singing on Sunday night will be at Sunny Hill next Sunday night. We certainly hope there will be a large crowd present.

Miss Inez Wesley spent Saturday night with Miss Hazel Cox.

The meeting was at J. W. Wesley's Sunday. There was a good crowd present. We did not learn how many were present.

Miss Opal Sutton spent Saturday night with Miss Annie Washburn.

Mr. and Mrs. G. E. Wesley and family, also Pete Sutton made a business trip to Canyon Saturday.

Mrs. Belle Washburn spent a few days with Mrs. Billie Washburn.

Bill James and family spent Sunday with C. E. Helms and wife.

Mr. and Mrs. H. M. Kinsey returned to their home in Childress Wednesday. They have spent the summer with their parents, Mr. and Mrs. W. M. Kinsey.

Mr. and Mrs. Bill Wesley and son returned home from a visit to Memphis Wednesday.

Mrs. Belle Washburn and Mrs. A. E. Wesley spent Wednesday with Mrs. H. E. Wesley.

Mr. and Mrs. Chas. Sutton and daughter, Erma Mae, spent Sunday with Mr. and Mrs. W. M. Kinsey.

Bill James was butchering hogs Monday.

Mr. and Mrs. W. F. Barnard spent a few days last week with their son and family of Amarillo.

Mr. and Mrs. E. W. Barnard. Clifton Wesley spent the week end with Edgar Washburn.

Long ago one-half the world didn't know how the other half lived. But that was before the day of dollar-down buying.

Mr. Ringling now controls all of the large circuses except the United States Senate.

Farming pays in Randall county.

Business Women Entertain Friends and Husbands with Banquet Thursday

The gay Thanksgiving season, which has so ably provided the dominant note in the social activities of Canyon for the month of November, was again celebrated last Thursday evening when the members of the Business Women's Club entertained their husbands and friends with a turkey dinner in the dining room of the First Presbyterian church.

A miniature log cabin, symbolic of the holiday motif, was an attractive centerpiece for the long table, and vases of chrysanthemums were used to advantage along the banquet board. Baskets of autumn flowers were arranged about the room. At each place were unique nut cups in the form of turkeys and made of pine cones. These were presented the guests as mementos of the occasion.

Mrs. Berl Mayfield, president of the organization, gave the address of welcome and was answered in behalf of the guests by Clyde W. Warwick. Several highly entertaining readings were given by Miss Elizabeth Weter, and Miss Louise Scott favored those present with two vocal solos, accompanied by Miss Olive Schramm at the piano. At the conclusion of the program the general assembly joined in the singing of a number of pep songs and popular tunes.

Seated were: Mr. and Mrs. Clyde Warwick, Mr. and Mrs. Earl Robbins, Mr. and Mrs. W. A. Warren, Mr. and Mrs. A. E. Terry, Mr. and Mrs. Vincent Shuman, Mr. and Mrs. Bob Foster, Mr. and Mrs. J. Alvin McDonald, Mr. and Mrs. J. J. Walker, Mr. and Mrs. Earl Braudt, Mr. and Mrs. Clyde Davis, Mrs. Berl E. Mayfield, Mrs. C. C. McDonald, Mrs. Grace White, E. Newberry, Mrs. Grace White, Mrs. Bill Bryant, Miss Olive Schramm, Miss Velma Thomas, Miss Lorena Frieze, Miss Marie Wallace, Miss Elizabeth Weter, Miss Louise Scott, Miss Edith Wiggins, Miss Estelle Bourland, Miss Agnes Myers, Miss Gladys Beavers, Miss Irene Pressley, Mrs. J. W. McDaniel, and Shalma Woods.

KING'S DAUGHTERS HOST-ESSES AT MCCREERY HOME

A lovely occasion was afforded the corresponding Sunday School classes of the other churches by the King's Daughters of the First Baptist church in a "Socks" social given at the home of Mrs. J. W. McCreery the past week.

The receiving rooms were attractively decorated with chrysanthemums and winter daisies with a suggestion of the Thanksgiving season. Delightful diversion was furnished by the hostesses in Bible contests and games. Proceeds from the affair are to be applied on the class pledge to the church fund.

A delectable refreshment course of pumpkin pie topped with whipped cream, cocoa and coffee was served to the following: Miss Sallie McGeehe, Mrs. Dave Covington, Mrs. Nettie Eastwood, Mrs. J. W. Bowen, Mrs. Rhea Robbins, Mrs. N. E. Pamplin, Mrs. Iona Cox, Mrs. W. G. Harris, Mrs. H. C. Long, Mrs. E. D. Harrell, Mrs. E. L. Simms, Mrs. Cammie Wright, Mrs. G. W. Cox, Mrs. Neva Stratton, Mrs. T. A. Ridgeway, Mrs. A. M. Smith, Mrs. T. W. Ziegler, Mrs. N. A. Croson, Mrs. Jim Johnson, Mrs. Henry Berryman, Mrs. R. G. Blue, Mrs. C. M. Presley, Mrs. J. B. Elliston, Mrs. S. G. Moore, Mrs. Wm. Ash, Mrs. T. M. Faulkner, Mrs. E. F. Page, Mrs. O. O. Baker, Mrs. Etta Gillham, Mrs. J. D. Key, Mrs. Sam Jones, Mrs. G. W. Johnson, Mrs. W. B. Smith, Mrs. M. A. Couch, Mrs. R. T. Bowman, Mrs. A. N. Burgan, Mrs. S. B. McClure, Mrs. J. T. Burnett, Mrs. A. H. Golden, Mrs. W. J. Hinkle and Mrs. McCreery. The following sent their "socks" although they were unable to attend: Mrs. L. B. Rogers, Mrs. T. A. Kay, Mrs. S. E. Williams, Mrs. Cox, Mrs. Charles Holland and Mrs. I. C. Jenkins.

DR. MCCOLLEY ON CHAPEL PROGRAM AT COLLEGE

Dr. Grant McColey was speaker at the Tuesday assembly at the College. He took as his subject "English and Its Relation to Other Fields of Thought," showing how English literature has through the centuries reflected the current thought and problems of science, sociology and economics.

Because of the Thanksgiving recess there will be no assembly on Saturday.

Tuesday, the Geography department, with Miss Bessie Engle as acting head, will present a program to which townspeople are invited.

MISS RICHARDSON ENTERTAINS SUNDAY

Miss M. Moss Richardson entertained a few friends with a 12 o'clock luncheon at her home last Sunday. Seated were: Mr. and Mrs. J. A. Hill, Miss Grace Wiegman, Miss Patsy Van Dyke, and the hostess.

MRS. FELIX PIERCE HOSTESS TO JOLI MARDI

Mrs. Felix Pierce was a charming hostess when she entertained the members of the Joli Mardi club with bridge at her home Thursday afternoon. The autumn motif was carried out in the decorations. A delicious salad course was served at the refreshment hour.

Those present included the following: Mrs. Clifton Duke, Mrs. Victor Steen, Mrs. W. T. Simmons, Mrs. L. R. Johnson, Mrs. Eddie Smith, Mrs. Jasper Atkins, Mrs. Clyde Johnston, Mrs. Earl Robbins, Mrs. Bob Price, Mrs. Wray Smith, Miss Pauline Rushing of Floydada.

MRS. KLEINSCHMIDT AND MRS. HART ENTERTAIN

Mrs. Guy Harp and Mrs. J. Wesley Kleinschmidt were joint hostesses at a delightful affair Friday evening when they entertained the members of the Friday Afternoon Club and their husbands with a dinner-bridge at the home of Mrs. Harp.

Bronze and white chrysanthemums enhanced the charm of the entertaining suite where the tables were placed for the games, and the autumn colors were carried out in the dinner served to the individual tables at 7:30 o'clock. The refreshment plate held turkey and dressing, potatoes, creamed peas, cranberry sauce, and hot rolls, and was followed by a dessert course of pie and coffee.

Those seated for the games were: Mr. and Mrs. T. H. Knighton, Mr. and Mrs. Marion Bishir, Mr. and Mrs. Ray Campbell, Mr. and Mrs. Dan Sanders, Mr. and Mrs. Oscar Gamble, Mr. and Mrs. Clarence Thompson, Mr. and Mrs. Guy Harp, Mr. and Mrs. Ray McReynolds, Mr. and Mrs. Bill Black, Mr. and Mrs. Irby Carruth, Miss Gladys Beavers, Mr. Harp and Mr. Kleinschmidt.

PI OMEGAS SERVE TEA FOR FACULTY LADIES

One of the outstanding social events of the week was the musical tea given by the Pi Omegas for the lady faculty members and the wives of the men faculty members at the home of Dalma Fry.

The house was artistically decorated with yellow and white chrysanthemums. The dining table was covered with a lace cloth with yellow and white chrysanthemums forming a centerpiece. Yellow and white tapers lighted the rooms softly.

Miss Hazel Allen, sponsor of the Pi Omegas, and Miss Josephine Duflot, a former Pi Omega, poured tea. Members of the club assisted with the serving.

Delicious refreshments of tea, sandwiches, date burrs marguerites, and mints were served to about one hundred guests who called during the hours from three to six p. m.

JAMESON'S RETURN HONORED WITH OLD-TIME "POUNDING"

Honoring the return of the Rev. C. E. Jameson, more than a hundred college students and town folks enjoyed a church night and reception given at the Methodist Church last Wednesday night. The feature of the event was an old-fashioned "pounding" for Mr. and Mrs. Jameson, the pounds of good things to eat, including all kinds of groceries, being brought in by the guests.

Many games were played by the company. A burlesque bishop and cabinet unanimously voted for the return of the Rev. Jameson to Canyon as the Methodist pastor.

Other features of the evening's entertainment were a reading by Wilmoth Gamble, "When the Frost is on the Pumpkin, and the Fodder is in the Shock"; readings by Eurith Compton; and a group of popular songs by Esteline Harris and Emmett Smith.

At the close of the entertainment, refreshments were served to those present by the Women's Missionary Society ladies.

MRS. SIMMONS HOSTESS TO FRIENDS TUESDAY

Mrs. W. T. Simmons entertained a few friends with a radio bridge party at her home Tuesday afternoon. The games were played according to directions over the radio.

Refreshments were served to the following: Mrs. Clifton Duke, Mrs. Victor Steen, Mrs. L. R. Johnson, Mrs. Clyde Johnston and the hostess.

MRS. GUNTER HOSTESS TO BLUE BONNET CLUB

Members of the Blue Bonnet Club assembled in regular session at the home of Mrs. J. Gunter last Thursday afternoon with Mrs. Gunter as hostess. Needlework occupied the great part of the afternoon and at the refreshment hour cranberry pudding with whipped cream and coffee was served by the hostess.

DINNER PARTY AT LITTLE HOUSE OF FELLOWSHIP

Mrs. Elizabeth Fry Page and Miss Ethleen Woffard entertained a few friends with a 6 o'clock dinner at the Little House of Fellowship last Saturday.

Seated for the delicious repast were: Miss M. Moss Richardson, Miss Patsy Van Dyke, Miss Grace Wiegman, Miss Woffard and Mrs. Page.

Mrs. Florence Miller, formerly Miss Cornelius, and an ex-student of the college, was a business visitor at the college on Tuesday.

Mr. and Mrs. Peter Meyers and little granddaughter, Phyllis Irene White, visited the E. H. Meyers family in Borger Sunday.

Three Delegates Represent W. T. at Athletic Meeting

Representatives from eighteen Texas colleges met at Baylor College at Belton, Texas, November 20-22 in the annual convention of the Texas Athletic Conference for College Women. Mrs. Wallace O'Keefe, Mrs. W. D. Mateer, and Miss Mildred Coffee attending as representatives from W. T.

Mrs. O'Keefe is an enthusiastic worker in the Women's Athletic Association in W. T., while Mrs. Mateer is president of the organization. Miss Coffee is president of the Texas Outing Club of W. T.

Miss Anna Hiss, founder of T. A. C. C. W. and head of the department of physical education at the University of Texas, and Miss Margaret Kirkner, sponsor of W. A. A. at the University, collaborated with the group at Baylor in planning the meeting held last week there. There are eighteen colleges in the Conference. Officials were glad to get a full representation at the convention because the National Athletic Conference for American College Women is to meet in Austin in 1933.

NOTICE TO TEACHERS

Radical changes in the Essay Writing rules of the Interscholastic League have been made this year, according to Mrs. H. A. Grounds, who was elected Director of Essay Writing in this county.

"Heretofore," said Mrs. Grounds, "subjects for the Essay contests have been selected from certain prescribed magazines. This year, however, the subjects will be furnished from the State Office of the League within the range of the average pupil's study, observation and experience." Thus it will not be necessary for pupils entering this contest to be prepared on current news, as in the past, but much practice in actual composition will be necessary for those who expect to compete successfully. This change in the rules was made in accordance with the recommendation of the committee in the English faculty of the University of Texas which has charge of the grading of essays in the state contest. Less emphasis on amassing of information and more emphasis upon practice in composition, this committee believes, will give better results."

Olin E. Hinkle of Pampa spent a few hours in the city Monday visiting at the parental W. J. home, and with friends. He is editor of the Pampa Daily News and Morning Post.

Business Women Entertain Friends and Husbands with Banquet Thursday

The gay Thanksgiving season, which has so ably provided the dominant note in the social activities of Canyon for the month of November, was again celebrated last Thursday evening when the members of the Business Woman's Club entertained their husbands and friends with a turkey dinner in the dining room of the First Presbyterian church.

A miniature log cabin, symbolic of the holiday motif, was an attractive centerpiece for the long table, and vases of chrysanthemums were used to advantage along the banquet board. Baskets of autumn flowers were arranged about the room. At each plate were unique nut cups in the form of turkeys and made of pine cones. These were presented the guests as mementos of the occasion.

Mrs. Berl Mayfield, president of the organization, gave the address of welcome and was answered in behalf of the guests by Clyde W. Warwick. Several highly entertaining readings were given by Miss Elizabeth Weter, and Miss Louise Scott favored those present with two vocal solos, accompanied by Miss Olive Schramm at the piano. At the conclusion of the program the general assembly joined in the singing of a number of pep songs and popular tunes.

Seated were: Mr. and Mrs. Clyde Warwick, Mr. and Mrs. Earl Robbins, Mr. and Mrs. W. A. Warren, Mr. and Mrs. A. E. Terry, Mr. and Mrs. Vincent Shuman, Mr. and Mrs. Bob Foster, Mr. and Mrs. J. Alvin McDonald, Mr. and Mrs. J. J. Walker, Mr. and Mrs. Earl Braudt, Mr. and Mrs. Clyde Davis, Mrs. Berl E. Mayfield, Mrs. C. C. McDonald, Mrs. Grace White, E. Newberry, Mrs. Grace White, Mrs. Bill Bryant, Miss Olive Schramm, Miss Velma Thomas, Miss Lorena Frieze, Miss Marie Wallace, Miss Elizabeth Weter, Miss Louise Scott, Miss Edyth Wiggins, Miss Estelle Bourland, Miss Agnes Myers, Miss Gladys Beavers, Miss Irene Pressley, Mrs. J. W. McDaniel, and Shalma Woods.

KING'S DAUGHTERS HOSTS AT MCCREY HOME

A lovely occasion was afforded the corresponding Sunday School classes of the other churches by the King's Daughters of the First Baptist church in a "Socks" social given at the home of Mrs. J. W. McCreery the past week.

The receiving rooms were attractively decorated with chrysanthemums and winter daisies with a suggestion of the Thanksgiving season. Delightful diversion was furnished by the hostesses in Bible contests and games. Proceeds from the affair are to be applied on the class pledge to the church fund.

A delectable refreshment course of pumpkin pie topped with whipped cream, cocoa and coffee was served to the following: Miss Sallie McGeehe, Mrs. Dave Covington, Mrs. Nettie Eastwood, Mrs. J. W. Bowen, Mrs. Rhea Robbins, Mrs. N. E. Pamplin, Mrs. Iona Cox, Mrs. W. G. Harris, Mrs. H. C. Long, Mrs. E. D. Harrell, Mrs. E. L. Simms, Mrs. Cammie Wright, Mrs. G. W. Cox, Mrs. Neva Stratton, Mrs. T. A. Ridgeway, Mrs. A. M. Smith, Mrs. T. W. Ziegler, Mrs. N. A. Croson, Mrs. Jim Johnson, Mrs. Henry Berryman, Mrs. R. G. Blue, Mrs. C. M. Presley, Mrs. J. B. Elliston, Mrs. S. G. Moore, Mrs. Wm. Ash, Mrs. T. M. Faulkner, Mrs. E. P. Page, Mrs. O. O. Baker, Mrs. Etta Gillham, Mrs. J. D. Key, Mrs. Sam Jones, Mrs. G. W. Johnson, Mrs. W. B. Smith, Mrs. M. A. Couch, Mrs. R. T. Bowman, Mrs. A. N. Burgan, Mrs. S. B. McClure, Mrs. J. T. Burnett, Mrs. A. H. Golden, Mrs. W. J. Hinkle and Mrs. McCreery. The following sent their "socks" although they were unable to attend: Mrs. L. B. Rogers, Mrs. T. A. Kay, Mrs. S. E. Williams, Mrs. Cox, Mrs. Charles Holland and Mrs. I. C. Jenkins.

DR. McCOLLEY ON CHAPEL PROGRAM AT COLLEGE

Dr. Grant McColley was speaker at the Tuesday assembly at the College. He took as his subject "English and Its Relation to Other Fields of Thought," showing how English literature has through the centuries reflected the current thought and problems of science, sociology and economics.

Because of the Thanksgiving recess there will be no assembly on Saturday.

Tuesday, the Geography department, with Miss Bessie Engle as acting head, will present a program to which townspeople are invited.

MISS RICHARDSON ENTERTAINS SUNDAY

Miss M. Moss Richardson entertained a few friends with a 12 o'clock luncheon at her home last Sunday. Seated were: Mr. and Mrs. J. A. Hill, Miss Grace Wiegman, Miss Patsy Van Dyke, and the hostess.

Officials were glad to get a full representation at the convention because the National Athletic Conference for American College Women is to meet in Austin in 1933.

NOTICE TO TEACHERS

Radical changes in the Essay Writing rules of the Interscholastic League have been made this year, according to Mrs. H. A. Grounds, who was elected Director of Essay Writing in this county.

"Heretofore," said Mrs. Grounds, "subjects for the Essay contests have been selected from certain prescribed magazines. This year, however, the subjects will be furnished from the State Office of the League within the range of the average pupil's study, observation and experience." Thus it will not be necessary for pupils entering this contest to be prepared on current news, as in the past, but much practice in actual composition will be necessary for those who expect to compete successfully.

This change in the rules was made in accordance with the recommendation of the committee in the English faculty of the University of Texas which has charge of the grading of essays in the state contest. Less emphasis on amassing of information and more emphasis upon practice in composition, this committee believes, will give better results."

Start Action to Make Park in Palo Duro

By Phoebe K. Warner.

The God of Nature is a most kind God. One who believes in plenty of sunshine and beauty, rest, recreation and pleasure for us all.

A divine Artist whose private gallery is the world, and on its walls are hung the marvelous landscapes of the Creator. One of those master pieces is the Palo Duro Canyon, right here in our midst.

Our special gift of Nature. Put here by the hand of the Creator millions of years ago. Because He knew that some day we would be here and that out here on these boundless plains we would need something to break the monotony of life, just as the broad plains needed a variety of lines and curves and colors to break the endless sameness of its surface.

When the Creator made man, He created him with a love for the beautiful in his soul. And then He created enough beauty to supply the whole world for all the ages to come. One of the most human and marvelous features of God's plan of creation is His distribution of the beauty of this world. Even the Panhandle of Texas which for so many years was considered only a wild, barren waste of earth had stored away in its heart this loveliest bit of Nature awaiting the coming of human minds and hearts to enjoy it. Planned and put here for us all to enjoy just as truly as the pastures and the Plains of the Panhandle were put here to provide bread and meat to nourish our bodies.

The Palo Duro Canyon is a part of the Creator's plan of life for the people of the Texas Panhandle, now and forever. And we, the first generation of citizens into whose care it has been entrusted, have no more right to allow it to be destroyed and made unfit for its mission to mankind than we have to destroy the soil from which we draw our physical life, or the gas fields and the forests from which we receive our stored up heat to keep us warm these wintry days and carry on our industries. This earth and everything in it and on it is simply loaned to us for a few days as we pass through it; and with our constantly developed brains and opportunities our greatest responsibility is to leave it as fit for the next generation as we found it. In fifty short years, this whole Panhandle will belong to somebody else. Practically every foot of it. It is not ours to keep and abuse for a few years. It is ours to use to the best advantage for the good of our people while we are here and then pass it on to the next generation. They too must live. It is not many people, these days, that have our opportunity in the Texas Panhandle. That of FIRST CHANCE to all of nature's products.

To most of us, science is an unknown science. Some of us may think we know, but not one of us really knows how the Palo Duro Canyon happened. But it is here and it is ours to keep and enjoy as long as we live. But fortunately we can't take it with us, no matter where we go. The Palo Duro Canyon is Nature's gift to us and we simply can't help it.

There are places and people in this world who would give a billion dollars to have such an opportunity as the Palo Duro Canyon unloaded at their doors. But it can't be bought and moved away. It belongs to the Texas Panhandle.

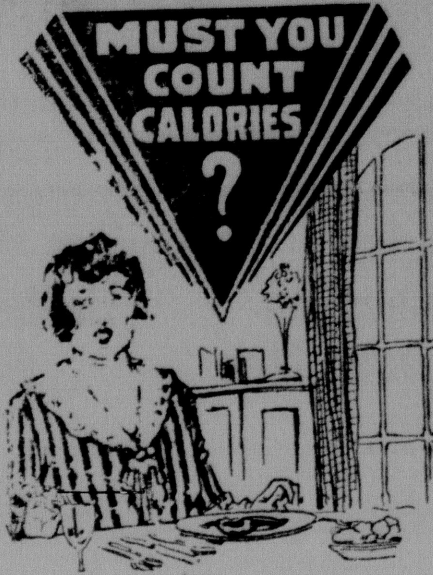

It is our one Panhandle play ground. And if the Palo Duro ever fills the mission for which it was created, the Panhandle people will have to take the lead in transforming it into a place of mutual pleasure to all the people.

The transformation can never take place in a few days or years. There is work and possibilities within its walls of interest to the future generations for a thousand years. The opportunity that is facing the people of the Panhandle and Texas today is simply that of saving this glorious spot for all the generations of the future and start the work going. That's about all this generation will ever have time and means to do. But that move will never be made unless the people of the Panhandle make it. It is our Panhandle. It is our Palo Duro. And it is our MOVE.

The chambers of commerce of both Amarillo and Canyon are doing more than ever before to create interest and build up enthusiasm for the Palo Duro as a State Park. Ray V. Davis, an expert in park publicity and park development who helped to bring Carlsbad Cavern out of the darkness and into the light of the world is giving his life to the development of the Palo Duro Park movement. His pictures have received nation wide recognition. The outside people are getting interested and wondering where it is. They didn't know there was such a place in Texas. Well, there is.

Right here at our back door. What we need is a little more interest, enthusiasm and co-operation on the part of all the Panhandle people. A little more money and some roads through the Palo Duro would turn the tide of tourists from North to South and from east to west all the year round through the Palo Duro Canyon. And the gasoline tax and the new business created all along our highways would more than repay the people for the cost of the roads. Hundreds of our unemployed would find employment on those roads and it would help to sell West Texas to the world.

But best of all it would give our people a common meeting place. A place to get acquainted with their neighbors in the next county and the next state. It would tie us all together as nothing else will ever do; and give our discouraged

Start Action to Make Park in Palo Duro

By Phoebe K. Warner.

The God of Nature is a most kind God. One who believes in plenty of sunshine and beauty, rest, recreation and pleasure for us all. A divine Artist whose private gallery is the world, and on its walls are hung the marvelous landscapes of the Creator. One of those master pieces is the Palo Duro Canyon, right here in our midst. Our special gift of Nature.

Put here by the hand of the Creator millions of years ago. Because He knew that some day we would be here and that out here on these boundless plains we would need something to break the monotony of life, just as the broad plains needed a variety of lines and curves and colors to break the endless sameness of its surface.

When the Creator made man, He created him with a love for the beautiful in his soul. And then He created enough beauty to supply the whole world for all the ages to come. One of the most human and marvelous features of God's plan of creation is His distribution of the beauty of this world. Even the Panhandle of Texas which for so many years was considered only a wild, barren waste of earth had stored away in its heart this loveliest bit of Nature awaiting the coming of human minds and hearts to enjoy it. Planned and put here for us all to enjoy just as truly as the pastures and the Plains of the Panhandle were put here to provide bread and meat to nourish our bodies.

The Palo Duro Canyon is a part of the Creator's plan of life for the people of the Texas Panhandle, now and forever. And we, the first generation of citizens into whose care it has been entrusted, have no more right to allow it to be destroyed and made unfit for its mission to mankind than we have to destroy the soil from which we draw our physical life, or the gas fields and the forests from which we receive our stored up heat to keep us warm these wintry days and carry on our industries. This earth and everything in it and on it is simply loaned to us for a few days as we pass through it; and with our constantly developed brains and opportunities our greatest responsibility is to leave it as fit for the next generation as we found it. In fifty short years, this whole Panhandle will belong to somebody else. Practically every foot of it. It is not ours to keep and abuse for a few years. It is ours to use to the best advantage for the good of our people while we are here and then pass it on to the next generation. They too must live. It is not many people, these days, that have our opportunity in the Texas Panhandle. That of FIRST CHANCE to all of nature's products.

To most of us, science is an unknown science. Some of us may think we know, but not one of us really knows how the Palo Duro Canyon happened. But it is here and it is ours to keep and enjoy as long as we live. But fortunately we can't take it with us, no matter where we go. The Palo Duro Canyon is Nature's gift to us and we simply can't help it. There are places and people in this world who would give a billion dollars to have such an opportunity as the Palo Duro Canyon unloaded at their doors. But it can't be bought and moved away. It belongs to the Texas Panhandle.

It is our one Panhandle play ground. And if the Palo Duro ever fills the mission for which it was created, the Panhandle people will have to take the lead in transforming it into a place of mutual pleasure to all the people.

Canyon Eagles Are Commended By Claude Men

The Canyon Eagles, who lost the fight for the championship of this section on November 15th at Claude have earned for themselves the reputation of being the gamest and most sportsmanlike team in West Texas.

Supt. Carruth says: "Wherever we have gone with the boys, different school officials have complimented our school on the way our team fought and the sportsmanlike manner in which they conducted themselves. In a letter from Supt. Turney of Claude, he says:

"Our people have said some nice things about your boys, coach, and fans. Our team commends your boys for their clean play and good sportsmanship. We like them for their fighting spirit! We have received other comments similar to this from different schools all over the Panhandle.

"Personally, I am proud of the record the boys have made this year, and I think they have played a wonderful game considering the inexperienced material that composed the majority of the team. They have shown good hard football can be played and played clean. Much of the credit for this reputation that the team now enjoys is due to the conscientious work of Coach Brady."

Seniors Will Publish Year Book for '31

Being unable to publish an annual this year, the seniors decided on a magazine. There will be only one edition of this magazine, which will be published near the close of school.

Various things will be included in this magazine. Pictures of the school, the basketball and football squads will be included. There will also be individual pictures of the Seniors and faculty members. Everything of interest to the senior class will be in the magazine. The class poem, prophecy, songs, jokes and social calendar will be included.

Business manager, editor, and editor-in-chief will be appointed in the near future, and work on the magazine will be begun.

Anyone will be allowed to buy a copy of this magazine and it is hoped that every lower classman will purchase one.

LATIN CLUB

The Latin Club met Tuesday, Nov. 18, at the usual time. The favorite Latin songs were sung. The remainder of the period was spent in playing a Latin game. This game is played with cards on which are placed Latin words. Three cards are placed on the table, each one is given three cards, and tries to make a correct sentence from these words. The object is to get the most cards.

Vara Edwards Entertains Team At Her Home

A party for the football boys and their girl friends was given at the home of Vara Edwards Thursday evening.

The playing of games and dancing seemed to be the most popular form of entertainment for the evening.

After everyone had enjoyed themselves immensely and delicious refreshments had been served, the group of girls and boys departed for their homes declaring that another party of this nature would be appreciated in the future.

The guest list included: Claire Lockwood, "Boots" Herndon, Imogene Machen, Clara Sanders, Betty Sternberg, Jeanette Golden, Celestine McGee, Marie Landers, Sybil Gidden, Alice Smith, Maxine Middleton, Edna Carr, Katye B. Lowe, Lila Beth Burroughs, Mildred Middleton, Mrs. Brady, Hosea Foster, Jack Cox, Bill Strain, Owen Miller, Tyson Cox, Broughton Harden, Clarence Wooten, Wilford Taylor, Tommie Elliston, Douglas Henson, Bobbie Campbell, Alton Donnell, Herbert Slack, Willard Middleton, D. B. Pearson, John B. Stratton, Ogden Stroud, Curtis Bell, Mr. "Pud" Thompson, Coach Brady and Gill Whitman of Happy.

When we look at some of the people who claim their ancestors came over in the Mayflower, it seems too bad the immigration restrictions were not instituted sooner.

Some men who are out of work are solving the unemployment problems by marrying women with jobs. Now they'll have some real problems to worry about.

We read that money now goes farther than it used to. Who knows but what we may yet have a dollar that will last from pay-day to pay-day.

From the number of accidents being reported over the country, it would seem proper nowadays to open the hunting season with prayer.

Ruling Illegal Says Interscholastic Head at Austin

The recent protest entered by Tulsa and held valid by the District Committee was ruled illegal by Roy B. Henderson, Director of the League. The Canyon-Dipmitt game was held to be irregular because no charge was made for the game. This ruling caused Canyon to have to play Silverton on Friday before the Championship game with Claude on Saturday and was one of the causes of Canyon losing to Claude. The decision of Mr. Henderson was not communicated to the local team until Monday of the following week. Had the message been promptly delivered the Eagles would not have played Silverton.

JUNIOR CLASS MEETING

The junior class met Wednesday to elect a King and Queen for the carnival which will be given in the near future, and to discuss the plan for a pie supper.

The class was called to order by the president and Vara Edwards was elected Queen and Thomas Gerald was elected King. Both were elected by acclamation. We hope to put our King and Queen over this year.

A motion was made and seconded that there be a junior pie supper in the high school gym Wednesday evening at 8 o'clock. All are urged to be present.

JUNIOR PINS

Have you seen the new junior pins? You have if you have been around Canyon High any the past week. They consist of the pin proper, a hexagon with "C. H. S." on it, a chain and a guard in the form of the figures '32. The juniors are proud of their pins. Forty of them were ordered.

FRESHMEN MEET

Friday evening the Freshman class met to select their King and Queen for the celebrity contest. T. V. Slack and Virginia Burgan were elected. After careful consideration the class decided to put all their money and effort in on the senior candidates and thus aid them in the contest.

GRADE SCHOOL

The grade school classes are each working up a play for Thanksgiving. It will be given to the classes or before the home room.

C. H. S. Seniors Have Carnival And Celebrities

The C. H. S. carnival season is here and with it comes the celebrity contest. Each year all classes run a nominee for the King and Queen of the high school and this year the contest promises to be close, although the seniors, sophomores and freshmen have all joined together in mutual defense against the juniors.

The senior nominees are Mildred Middleton and Wayne Tucker. The juniors are Vara Edwards and Tommy Gerald. The sophomores have not as yet elected representatives.

Last but not least, the Fish elected Virginia Burgan and T. V. Slack.

All of the money gained by this contest goes to the senior class and is used by them on their gift to the school.

The date for the carnival has been set as December 5, 1930.

SOPHOMORES MEET

As there was not a great deal of business to be discussed at the regular sophomore class meeting last Wednesday, most of the period was spent singing and yelling. Some discussion was made, however, on whether or not the class should have a party soon, but no definite plans were made. The class king and queen should have been chosen, but as none of the officers were aware of the fact another meeting will have to be called soon for this purpose.

T. C. Thompson Talks in Chapel On Vocational

Mr. T. C. Thompson addressed the students of Canyon High on "Life's Vocations," Thursday in chapel.

"What is going to be your life's work? Will you be prepared for it? To waste time is sinful, we are stealing from others and also ourselves. Efficiency without honesty is destruction," all of these points were discussed with the students by Mr. Thompson.

He ended his talk by stating that "we get as much from life as we put in it." Everyone resolved to give more to life.

STITCH AND SIZZLE CLUB

The Stitch and Sizzle club met in the Home Economics room on Tuesday as this was the first time the club had met since the third year girls decorated the room they were given a vote of thanks.

The club decided to wait until after the Thanksgiving holidays to initiate the new members. After the business was finished the girls were entertained by several fine talks and a reading. The president appointed a committee to take charge of the next program.

A very welcome visitor, Mr. I. B. Carruth, gave the club an address of appreciation for the good work the girls have done and complimented the committee upon the interesting program.

Is your car hard to start these cold mornings? Let that be a reminder that these are danger months for your motor!

It takes more turning-over to start, and more running to warm-up your motor during the cold months. So now, more than ever, you need the extra protection of this oil with two big cold-weather advantages!

Conoco Germ-Processed Motor Oil is de-waxed to prevent congealing at low temperatures. That's the first reason. Second, its penetrative lubricity insures instant lubrication at the first touch of the starter. By decreasing friction, Germ-Processed oil adds to the ease of starting.

You may be able to buy some other oils

Seniors Will Publish Year Book for '31

Being unable to publish an annual this year, the seniors decided on a magazine. There will be only one edition of this magazine, which will be published near the close of school.

Various things will be included in this magazine. Pictures of the school, the basketball and football squads will be included. There will also be individual pictures of the Seniors and faculty members. Everything of interest to the senior class will be in the magazine. The class poem, prophecy, songs, jokes and social calendar will be included.

Business manager, editor, and editor-in-chief will be appointed in the near future, and work on the magazine will be begun.

Anyone will be allowed to buy a copy of this magazine and it is hoped that every lower classman will purchase one.

LATIN CLUB

The Latin Club met Tuesday, Nov. 18, at the usual time. The favorite Latin songs were sung. The remainder of the period was spent in playing a Latin game. This game is played with cards on which are placed Latin words. Three cards are placed on the table, each one is given three cards, and tries to make a correct sentence from these words. The object is to get the most cards.

Vara Edwards Entertains Team At Her Home

A party for the football boys and their girl friends was given at the home of Vara Edwards Thursday evening.

The playing of games and dancing seemed to be the most popular form of entertainment for the evening.

After everyone had enjoyed themselves immensely and delicious refreshments had been served, the group of girls and boys departed for their homes declaring that another party of this nature would be appreciated in the future.

The guest list included: Claire Lockwood, "Boots" Herndon, Imogene Machen, Clara Sanders, Betty Sternberg, Jeanette Golden, Celestine McGee, Marie Landers, Sybil Gidden, Alice Smith, Maxine Middleton, Edna Carr, Katye B. Lowe, Lila Beth Burroughs, Mildred Middleton, Mrs. Brady, Hoshea Foster, Jack Cox, Bill Strain, Owen Miller, Tyson Cox, Broughton Harden, Clarence Wooten, Wilford Taylor, Tommie Elliston, Douglas Henson, Bobbie Campbell, Alton Donnell, Herbert Slack, Willard Middleton, D. B. Pearson, John B. Stratton, Ogden Stroud, Curtis Bell, Mr. "Pud" Thompson, Coach Brady and Gill Whitman of Happy.

When we look at some of the people who claim their ancestors came over in the Mayflower, it seems too bad the immigration restrictions were not instituted sooner.

Some men who are out of work are solving the unemployment problems by marrying women with jobs. Now they'll have some real problems to worry about.

We read that money now goes farther than it used to. Who knows but what we may yet have a dollar that will last from pay-day to pay-day.

From the number of accidents being reported over the country, it would seem proper nowadays to open the hunting season with prayer.

We wouldn't be surprised if, even after the meek inherit the earth, they'll still have to call on their wives to help them run it.

Ruling Illegal Says Interscholastic Head at Austin

The recent protest entered by Tullia and held valid by the District Committee was ruled illegal by Roy B. Henderson, Director of the League. The Canyon-Dignity game was held to be irregular because no charge was made for the game. This ruling caused Canyon to have to play Silverton on Friday before the Championship game with Claude on Saturday and was one of the causes of Canyon losing to Claude. The decision of Mr. Henderson was not communicated to the local team until Monday of the following week. Had the message been promptly delivered the Eagles would not have played Silverton.

JUNIOR CLASS MEETING

The junior class met Wednesday to elect a King and Queen for the carnival which will be given in the near future, and to discuss the plan for a pie supper.

The class was called to order by the president and Vara Edwards was elected Queen and Thomas Gerald was elected King. Both were elected by acclamation. We hope to put our King and Queen over this year.

A motion was made and seconded that there be a junior pie supper in the high school gym Wednesday evening at 8 o'clock. All are urged to be present.

JUNIOR PINS

Have you seen the new junior pins? You have if you have been around Canyon High any the past week. They consist of the pin proper, a hexagon with "C. H. S." on it, a chain and a guard in the form of the figures 32. The juniors are proud of their pins. Forty of them were ordered.

FRESHMEN MEET

Friday evening the Freshman class met to select their King and Queen for the celebrity contest. T. V. Slack and Virginia Borgan were elected. After careful consideration the class decided to put all their money and effort in on the senior candidates and thus aid them in the contest.

GRADE SCHOOL

The grade school classes are each working up a play for Thanksgiving. It will be given to the classes or before the home room.

If prohibition is the success the dries insist it is and the failure the wets insist it is, then let's just drop the whole matter and talk about something else.

C. H. S. Seniors Have Carnival And Celebrities

The C. H. S. carnival season is here and with it comes the celebrity contest. Each year all classes run a nominee for the King and Queen of the high school and this year the contest promises to be close, although the seniors, sophomores and freshmen have all joined together in mutual defense against the juniors.

The senior nominees are Mildred Middleton and Wayne Tucker. The juniors are Vara Edwards and Tommy Gerald. The sophomores have not as yet elected representatives.

Last but not least, the Fish elected Virginia Borgan and T. V. Slack.

All of the money gained by this contest goes to the senior class and is used by them on their gift to the school.

The date for the carnival has been set as December 5, 1930.

SOPHOMORES MEET

As there was not a great deal of business to be discussed at the regular sophomore class meeting last Wednesday, most of the period was spent singing and yelling. Some discussion was made, however, on whether or not the class should have a party soon, but no definite plans were made. The class king and queen should have been chosen, but as none of the officers were aware of the fact another meeting will have to be called soon for this purpose.

T. C. Thompson Talks in Chapel On Vocational

Mr. T. C. Thompson addressed the students of Canyon High on "Life's Vocations," Thursday in chapel.

"What is going to be your life's work? Will you be prepared for it? To waste time is sinful, we are stealing from others and also ourselves. Efficiency without honesty is destruction," all of these points were discussed with the students by Mr. Thompson.

He ended his talk by stating that "we get as much from life as we put in it." Everyone resolved to give more to life.

STITCH AND SIZZLE CLUB

The Stitch and Sizzle club met in the Home Economics room on Tuesday as this was the first time the club had met since the third year girls decorated the room they were given a vote of thanks.

The club decided to wait until after the Thanksgiving holidays to initiate the new members. After the business was finished the girls were entertained by several fine talks and a reading. The president appointed a committee to take charge of the next program.

A very welcome visitor, Mr. I. B. Carruth, gave the club an address of appreciation for the good work the girls have done and complimented the committee upon the interesting program.

A soft answer may turn away wrath but it will not drive a book agent from the door.

Now is the time to change to Germ-Processed oil . . . It's DE-WAXED. That means easy starting . . . and its Penetrative Lubricity means safer Lubrication during the trying months ahead

Is your car hard to start these cold mornings? Let that be a reminder that these are danger months for your motor!

It takes more turning-over to start, and more running to warm-up your motor during the cold months. So now, more than ever, you need the extra protection of this oil with two big cold-weather advantages!

Conoco Germ-Processed Motor Oil is de-waxed to prevent congealing at low temperatures. That's the first reason. Second, its penetrative lubricity insures instant lubrication at the first touch of the starter. By decreasing friction, Germ-Processed oil adds to the ease of starting.

You may be able to buy some other oils

which are de-waxed, but there is only one oil with penetrative lubricity, only one that penetrates metal-surfaces and never drains away from working parts.

It's Conoco Germ-Processed Motor Oil. Ask for it whenever you see the Conoco Red Triangle.

SIMMONS DEFEAT BUFFALOES BY SCORE OF 26-6

**COWBOYS SMASH BUFF LINE
WITH POWER PLAYS AND
END RUNS.**

Getting away with a flying start that crashed under the powerful battering ram of a perfect offense, the West Texas State Teachers College Buffaloes suffered their eighth defeat in ten starts against the Simmons University Cowboys by the top heavy score of 26-6 at Butler Field, Amarillo, last Saturday afternoon.

The Buffaloes began their attack at the very opening of the game, taking the ball from their own thirty yard line across the Simmons goal in a steady march in the first five minutes of the game. Little Powell, the sensation of the game because of his undying grit and stamina, made the score by a long and beautifully executed end run.

Coach Cranfills evidently thought that his reserves were not good enough, for he began sending in his first string men and the battle really opened up. Davenport and Sanders with the assistance of a powerful line, began a series of power plays and cut back end runs that were too much for the Buffalo defense. Sanders took the Buffalo safety by surprise, kicking on the first down on two different occasions and putting the ball in the Buffaloes' danger zone. Three times in the second and third quarters the Cowboys ran into an inspired line that could not be bent despite the fact that the ball was on the Buffaloes' one foot line each time; each time Williams kicked out of danger. In the fourth quarter the ball never left the Buffaloes' territory except on the kickoff, the inspired defense was broken and a crew of whipped Buffaloes seemed to be playing simply for the gun to stop the game. Three of the four touchdowns made by Simmons were due to the delayed line buck and cut back plays that were working so perfectly for them. Simmons' last touchdown was made when Davenport, one of the fastest and headiest backs ever seen in this part of the country, paced right over center and meandered twelve yards and over the goal line without even being tagged by means of the delayed buck. The game ended with "Cow" Williams and Bob Clark trying to pass as a final forlorn hope, the score being 26 to 6, Davenport making two touchdowns, Sanders one, and Marshall one; Sanders making the two extra points for the visitors. Powell made the Buffs lone touchdown, the try for extra point being short.

Bright Spots

Two or three Buffalo players stood out above all the rest of the entire herd. Powell, who played far beyond any of his team mates, the lightest man on either team, brought the spectators to their feet every time he got the ball. And how those Cowboys did bruise him every time they tackled him!

They finally got to working in pairs because one of them couldn't stop him. Logan, playing next to his last game for the Buffs, proved to be the worst thorn in the Cowboys side, for they couldn't smother him despite their concentrated efforts. Another Buffalo who deserves the plaudits of the entire football loving public of the Panhandle is Bill McClendon, Buff center, who showed to be the fastest and most aggressive and consistent tackler that W. T. has turned out in many moons. He played heads up football all the time and broke up many of the Cowboys good intentions. For Simmons, Davenport, Sanders and Marshall, coupled with an avalanche of heady linesmen proved too much for the two or three man defense that the Buffaloes offered and they carried another Buffalo hide back to Abilene with them.

SERVICE IS OUR MOTTO

Thompson Hardware Company

Randall County, Texas, is a municipal corporation, duly incorporated under the laws of the State of Texas, and has been for a time long prior to the 30th day of January, 1928, and previous to said time had by election duly had and published and enacted assumed control over its streets and adopted the General Paving Law set out in the statutes of the State of Texas, which incorporation, adoption and declaration has continued at all times mentioned herein.

2. That prior to the 30th day of January, 1928, defendant, S. G. Umbarger, was the owner by regular conveyances of Lot 12, Block 57, in said incorporated town of Canyon, and still is the record owner thereof, and that at and prior to the 30th day of January, 1928, the governing body of said city of Canyon, had determined that certain of its streets should be graded, paved and drained in accordance with the plans and specifications of its Engineer then on file and adopted, and on said 30th day of January, 1928, entered into a contract with this plaintiff to grade, pave and drain the same in accordance with said plans and specifications, and especially that part of 7th Avenue abutting said Lot 12, Block 57, and agreed in said contract in accordance with the statutes that if at a hearing to be afterwards held it should be determined that the cost of such

improvement apportionable and chargeable to said Lot 12, Block 57, under said paving laws would enhance the value of said cost that on the completion thereof it would issue its assignable certificate to the plaintiff in the sum of \$139.20, the estimated cost which sum should be payable in six installments, the first maturing ten days from the completion and acceptance of said work and 1-6th thereof at 1, 2, 3, 4, and 5 years from the date of completion, all payments to bear 8 per cent annual interest, and further providing that if there was default in the payment of any installment of principal payment, or interest, the holder of such certificate might mature same, and for reasonable attorney's fees and cost of collection, if incurred; that the said indebtedness evidenced by the certificate should be a first and prior lien upon the said property abutting the street of improvement superior to all liens and claims, except taxes, and a personal charge against the owner thereof.

3. That in accordance with said determination of the governing body and the contract, the city caused notice to be given to the owners of said property and all persons having or claiming an interest in said property, that on March 3, 1928, it would hear evidence whether or not the contemplated improvement abutting said Lot 12, would enhance the

value thereof to the extent of \$139.20, which notice was given for the length of time and in the manner specified by the general paving law.

4. That such hearing was duly held at the advertised time, when as such it was determined that the improvement would enhance the value of the property equal to the cost of improvement, which said determination was final and has not been appealed from; that thereafter the plaintiff completed said improvement according to the plans and specifications, which were accepted by the governing body on the 19th day of September 1928, and a certificate evidencing the amount of indebtedness, to-wit, \$139.20, was issued by said city and delivered to the plaintiff, and the plaintiff is the owner and holder thereof, such certificate reciting all the matters which the contract above named agreed should be entered, and by the terms thereof and by reason of such the said sum of \$139.20 became owing to this plaintiff and a first lien upon said property, a personal charge against the owner or owners thereof, payable under the conditions named.

5. That the installment due on the 29th day of September, 1928, and the one due on the 19th day of September 1929, and the one due on the 19th day of September, 1929, as well as the one due on the 19th day of September, 1930, have

matured, and are wholly unpaid, nor has any interest been paid on the principal debt, and that by reason of such delinquency the plaintiff has elected to mature the three remaining installments of said certificate and has placed them with an attorney for collection, and that the reasonable fee therefor is the sum of \$100.00, for which it asks judgment for principal and interest, and that same be decreed to be a lien upon said lot as is provided by the enabling acts and the certificates.

WHEREFORE, the plaintiff prays for process upon the defendants, that upon hearing it have its judgment for its debt, interest and attorney's fees, as well as costs, that such judgment be decreed to be a lien upon the said lot as of January 30th, 1928, and at all times thereafter, that the lien be foreclosed and the property sold and the proceeds thereof applied to the satisfaction of plaintiff's judgment, and for such other relief as at law or in equity it may be entitled to.

Herein I, the undersigned, being duly sworn, depose and say that the foregoing is a true and correct copy of the petition filed in said Court, and that I am the Clerk of said Court, and that I am a resident of said County.

Given under my hand and the Seal of said Court, at office in Canyon, Texas, this 29th day of September, A. D. 1930.

SERVICE IS OUR MOTTO

Thompson Hardware Company

Randall County, Texas, is a municipal corporation, duly incorporated under the laws of the State of Texas, and has been for a time long prior to the 30th day of January, 1928, and previous to said time had by election duly had and declared and by ordinances duly published and enacted assumed control over its streets and adopted the General Paving Law set out in the statutes of the State of Texas, which incorporation, adoption and declaration has continued at all times mentioned herein.

2. That prior to the 30th day of January, 1928, defendant, S. G. Umbarger, was the owner by regular conveyances of Lot 12, Block 57, in said incorporated town of Canyon, and still is the record owner thereof, and that at and prior to the 30th day of January, 1928, the governing body of said city of Canyon, had determined that certain of its streets should be graded, paved and drained in accordance with the plans and specifications of its Engineer then on file and adopted, and on said 30th day of January, 1928, entered into a contract with this plaintiff to grade, pave and drain the same in accordance with said plans and specifications and especially that part of 7th Avenue abutting said Lot 12, Block 57, and agreed in said contract in accordance with the statutes that if at a hearing to be afterwards held it should be determined that the cost of such

improvement apportionable and chargeable to said Lot 12, Block 57, under said paving laws would enhance the value of said cost that on the completion thereof it would issue its assignable certificate to the plaintiff in the sum of \$139.20, the estimated cost which sum should be payable in six installments, the first maturing ten days from the completion and acceptance of said work and 1-6th thereof at 1, 2, 3, 4, and 5 years from the date of completion, all payments to bear 8 per cent annual interest, and further providing that if there was default in the payment of any installment of principal payment, or interest, the holder of such certificate might mature same, and for reasonable attorney's fees and cost of collection, if incurred; that the said indebtedness evidenced by the certificate should be a first and prior lien upon the said property abutting the street of improvement superior to all liens and claims, except taxes, and a personal charge against the owner thereof.

3. That in accordance with said determination of the governing body and the contract, the city caused notice to be given to the owners of said property and all persons having or claiming an interest in said property, that on March 3, 1928, it would hear evidence whether or not the contemplated improvement abutting said Lot 12, would enhance the

value thereof to the extent of \$139.20, which notice was given for the length of time and in the manner specified by the general paving law.

4. That such hearing was duly held at the advertised time, when as such it was determined that the improvement would enhance the value of the property equal to the cost of improvement, which said determination was final and has not been appealed from; that thereafter the plaintiff completed said improvement according to the plans and specifications, which were accepted by the governing body on the 19th day of September, 1928, and a certificate evidencing the amount of indebtedness, to-wit: \$139.20, was issued by said city and delivered to the plaintiff, and the plaintiff is the owner and holder thereof, such certificate reciting all the matters which the contract above named agreed should be entered, and by the terms thereof and by reason of such the said sum of \$139.20 became owing to this plaintiff and a first lien upon said property, a personal charge against the owner or owners thereof, payable under the conditions named.

5. That the installment due on the 29th day of September, 1928, and the one due on the 19th day of September 1928, and the one due on the 19th day of September, 1929, as well as the one due on the 19th day of September, 1930, have

matured, and are wholly unpaid, nor has any interest been paid on the principal debt, and that by reason of such delinquency the plaintiff has elected to mature the three remaining installments of said certificate and has placed them with an attorney for collection, and that the reasonable fee therefor is the sum of \$100.00, for which it asks judgment for principal and interest, and that same be decreed to be a lien upon said lot as is provided by the enabling acts and the certificates.

WHEREFORE, the plaintiff prays for process upon the defendants, that upon hearing it have its judgment for its debt, interest and attorney's fees, as well as costs, that such judgment be decreed to be a lien upon the said lot as of January 30th, 1928, and at all times thereafter, that the lien be foreclosed and the property sold and the proceeds thereof applied to the satisfaction of plaintiff's judgment, and for such other relief as at law or in equity it may be entitled to.

Herein I fail Not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the Seal of said Court, at office in Canyon, Texas, this 29th day of September, A. D. 1930.
(Seal) BERL E. MAYFIELD,
Clerk, District Court,
3614 Randall County.

18 when Harvey A. Wilson of Happy presented it with an old copy of a book called "Parson Hanks—Fourteen Years in the West," a story of the author's frontier life in the Panhandle of Texas, by Ed R. Wallace, a member of the Northwest Texas Conference.

"Parson Hanks—Fourteen Years in the West" is the story of a Methodist preacher in frontier times, and his and his family's struggle for existence in the lean days of the Panhandle's beginnings.

The book is dedicated to the author's wife, in language which not only testifies of his devotion to and his appreciation of her, but also the spirit of the author himself, in "establishing Christianity and Methodism in eighteen counties of the Lone Star State."

Dawn Students Are Conducted Through W. T. Departments

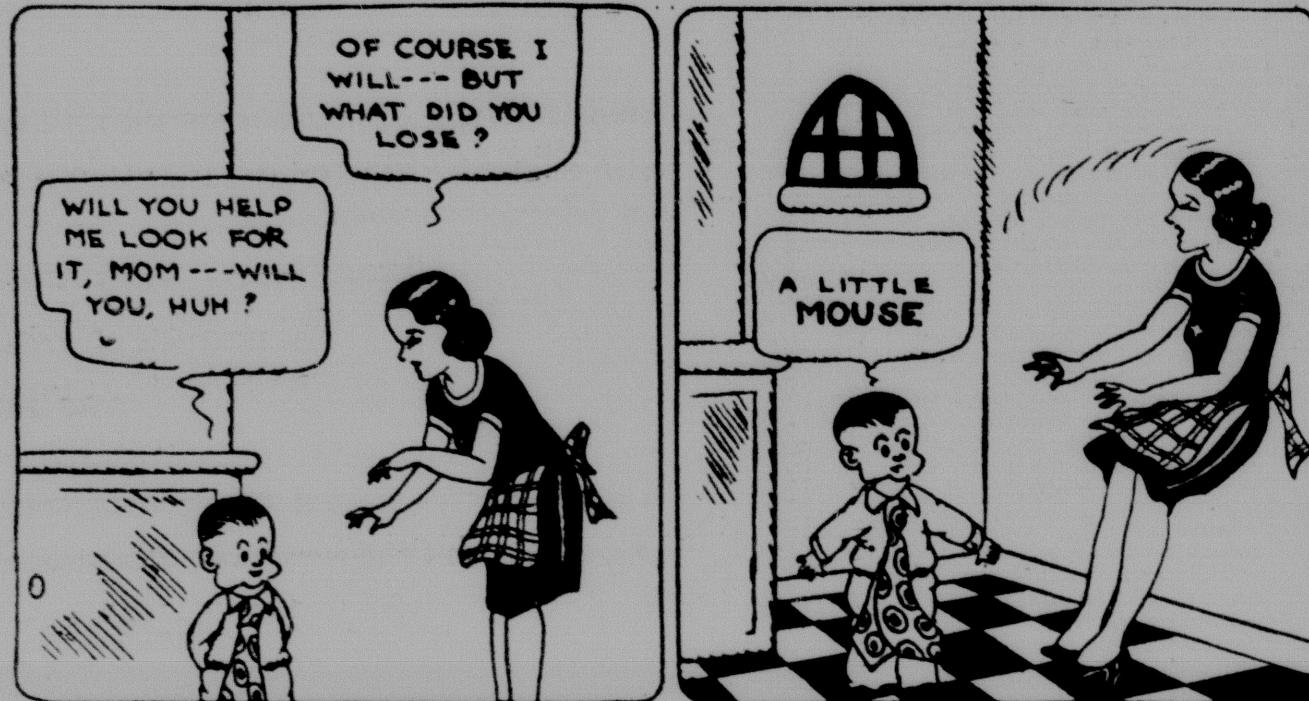

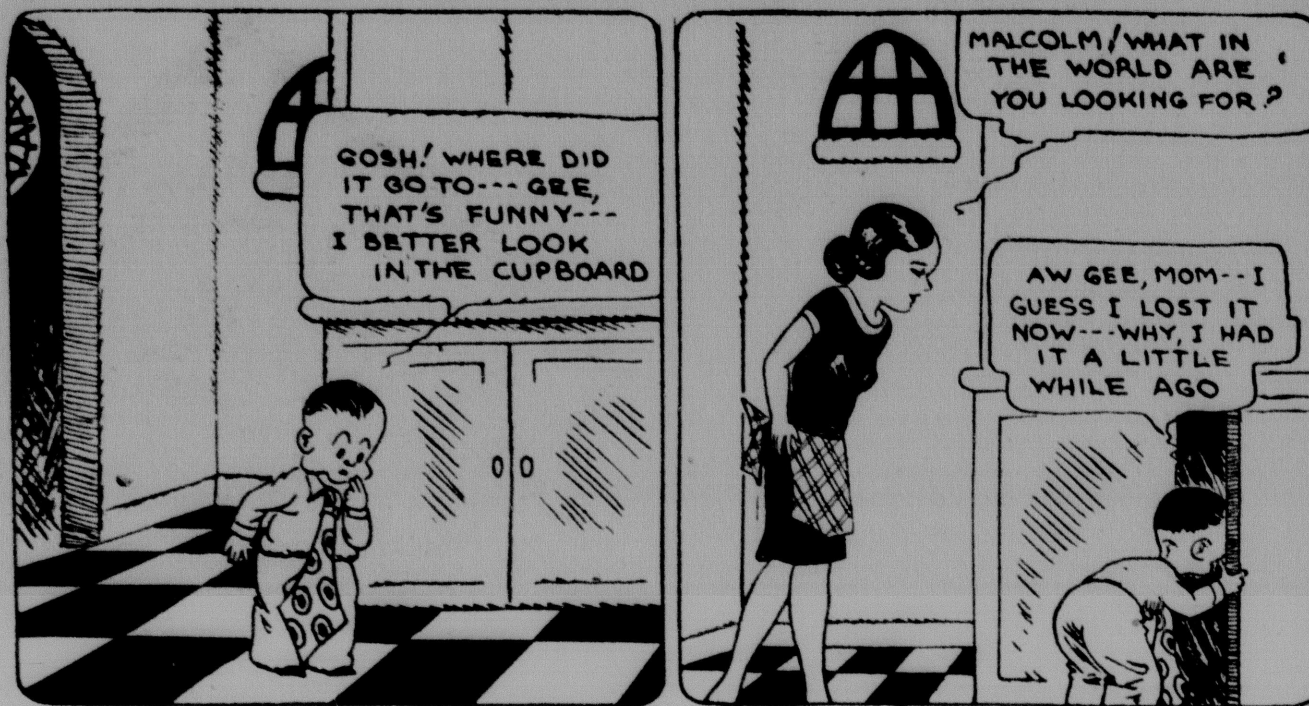

An enthusiastic group of fifteen high school boys and girls from the Dawn school, led by their principal, Mr. A. J. Morris, an ex-student of W. T., visited the science departments of the college Friday afternoon.

The group showed much interest in such laboratory apparatus as the motion pictures shown by Miss Engle of the department of geography, the cow testing apparatus of the agriculture department, ex-

Canyon Exes in Hansford County Meet at Banquet

Ex-students of W. T. who now live in Hansford county held an enthusiastic banquet at the high school in Spearman Thursday evening and voted unanimously to continue an organization of exes of Hansford county. The next meeting will be held in Gruver after the holidays, the date to be set by a special committee.

The following program was given: Welcome address, J. B. Speer of Morse; piano duet, Misses Evelyn Roach and Elliot; vocal solo, Coach J. E. Gunn; reading by Oscar Archer; short talks by Bill McLellan, Miss Wilma Pearson and Coach Joe Nipper of Gruver; piano solo by Miss Elliot, music instructor in Spearman high school. T. D. Moss of Perryton, acted as toastmaster.

Mr. Speer, who is president of the county Ex-students Association, urged the group to line up with the West Texas Ex-students Association. He praised the work of Secretary L. N. George, and the interest President J. A. Hill was

taking in former students.

A committee composed of President Speer, Secretary Wilma Pearson and Joe Nipper are to set the

date for the next meeting of the organization. The banquet was served by the Parent-Teachers Association.

Never has the superiority of Body by Fisher been more strikingly exemplified than in the Bigger and Better Chevrolet Six!

With the added advantage of a lengthened wheelbase, Fisher designers have achieved in the new Chevrolet an impressive degree of smartness, comfort and luxury.

Inside and out, scores of refinements stamp this car as a masterpiece of modern coachwork. Radiator, headlamps and tie-bar form an unusually attractive and distinctive ensemble. Mouldings sweep back in an unbroken line to blend with the smart new body contours. And new color combinations lend a new individuality. Interiors, too, are

exceptional. The new mohair and broadcloth upholstery is smartly tailored. Seats are wider and more luxuriously cushioned. A deeper windshield and wider windows give better vision. And beautiful new modern fittings lend a final note of charm.

Many mechanical improvements are also evident in this Bigger and Better Six. Among these are a stronger frame; easier steering; a more durable clutch; a quieter, smoother transmission; and many important engine refinements.

The Bigger and Better Chevrolet Six is now on display. See it today—drive it! It is the Great American Value.

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store. City Pharmacy.

WAKE UP!

.....it's time to buy

PROSPERITY IS NOT DEAD in America—it has simply been asleep—dreaming bad dreams—dreams of depression; of the fear of spending—the delusion of hoarding. We've been in a lethargy from which only a real alarm could arouse us.

BUT WE'VE HEARD the alarm now—the alarm of stagnant business; factories with muted machinery and deplorable unemployment—and we're ready now to get up and put our dollars to work.

NO, PROSPERITY IS NOT DEAD. America still has its great natural and industrial resources—its tremendous capital reserve—fertile lands; immense savings deposits in the banks; the greatest industries in the world; the most skilled workmen; the highest percentage of home-ownership; the highest percentage of literacy; the highest standards of living and the most cultivated desires for the better things in life.

IT'S TIME NOW for us to put activity back of our resources; to indulge our desires; to release the money we have been hoarding—in other words to buy so that merchants can move their goods, place orders with the factories for more; enable the factories to buy raw materials from the farmers and to employ more men and give to those men in wages the means to buy what you yourself sell or produce.

BUT WE MUST all do our part in this BUY NOW program. Don't wait for "George to do it" or George will wait for us and none of us will get anywhere. You start patronizing George today and George will start buying from Tom, and Tom from Dick, and Dick from Harry, and Harry from you.

DEPRESSION IS MERELY AN OBSESSION—a confession of fear—a compression on the pulse of prosperity that stops the circulation of money. And money is just as important to the life of business as the circulation of the blood is to the life of the human body.

Culling Poultry Flocks Discussed by County Agent

W. H. Upchurch, County Agent writes the News as following regarding poultry culling:

So many poultrymen ask the county agent to cull hens for them individually that I thought it well to discuss the matter in the News.

There is much misinformation regarding culling hens for egg production. Many flock owners will feed a number of boarder hens in the flock as long as they are getting a fair average production from the flock as a whole. Then when the layers in the flock quit for any reason at all, they begin to think about culling out the non-layers. The very fact that the layers have quit is evidence that there is something needed besides culling.

It is impossible for any one to cull a flock properly under such conditions. In other words, the time to cull out the non-layers is when the layers are laying full speed.

Much of the knowledge of culling for egg production is based upon the difference in physical appearance of the hen when she is laying and when she is not laying. This difference in appearance together with certain color fading and other things tell us when the hen is in production and give us some idea as to the length of time that she has been in production. Now when all the hens in a flock are out of production they have the same appearance so far as these differences are concerned.

Before attempting to increase

egg production by culling be sure that the flock is being fed properly, is properly housed and in good condition. However there is a certain amount of culling that may be done at any time. The undersized or poorly developed pullets may be taken out even before they come into production. In fact the "runts" and under developed chicks may be taken out at any time they show up. The same may be said of those that have poor comb development, or crooked beaks or that are diseased in any way.

Owing to the demands on the county agent's time for culling hens, it will be impossible for us to cull flocks for individual flock owners, except where a demonstration is given to teach the principles of culling to interested poultrymen. I will be very glad to do this in any community in the county where enough interest is shown.

Four things are necessary in a flock of hens for profitable egg production: Breeding, Feeding, Health and Housing. Of these four, I am disposed to place the last one first as being of more importance than either of the other three. If a good house is used the feeding, breeding and health of the flock may be properly looked after. While all these things may count for little if the flock is not properly housed in the winter time.

We will discuss poultry houses at a later date.

W. H. UPCHURCH,
County Agent.

Panhandle Croup Presents 2 Plays Tuesday Evening

Two very interesting one-act plays were presented Tuesday evening in the Education building auditorium by the Panhandle Players. They were "Cash—\$2000" and "The Pros and Cons." Both were staged under the direction of Miss Mary Morgan Brown of the Speech department of W. T.

"Cash—\$2000" concerns an impoverished and complaining couple, Bertie and Mamie Smithers, Jennie, and her fiancée, Harry Collins, who has inherited a sizeable fortune. Bertie finds Harry's wallet containing two thousand dollars and is strongly tempted to keep it, but his wife prevents it just as Harry and Jennie return—married—and make them a present of the two thousand.

Because of its comedy and its clever, compact dialogue, "Pros and Cons" seemed to be favored by the audience. To Freddie, a poet, and Brenda, his wife, married life is a path of thorns all because of the telephone, whose constant ringing plays havoc with the peace and quiet which is necessary to Freddie's poetry-writing. Mrs. Christie, Brenda's mother, and her cousin, Evangeline, also interfere, and Brenda decides to divorce Freddie. All ends happily, however. The two are reconciled and ease their minds by blaming it all on the mother and cousin, Evangeline—and the telephone.

Howard Batchelder, Naomi Malone, Francis Lester, and Gordon Beck were the characters in "Cash—\$2000." The cast of "Pros and Cons" consisted of Rob Rowan, Wilmoth Gamble, Doris Louder and Greta Mae Cayton.

MISS CLARK IN PROGRAM

Miss Ada Clark of the music department, gave a special program Tuesday morning for the children of the kindergarten, first, second and third grades. On her program Miss Clark featured the children's songs composed by Jessie Gaynor. The only other number on the program was Schaeffer's The Cuckoo Clock, which is always a favorite with children.

Made His Names

The goal that Edward J. Hickett, above, set for himself when he left University of Texas last spring, to obtain the autographs of all the governors, has at last been achieved. He is shown here at Philadelphia just after Governor Fisher, of Pennsylvania, had affixed the 48th signature.

Jones Making a Good Record as Coach at Dana

Cleveland Jones, star quarterback for the W. T. Buffs in 1929, is going great this year. "Jonsey" is head coach at Dana College, Blair, Neb.

At present his team, known as the "Vikings," are at the top of the Nebraska State Conference, and they have only one game to go and are doped to win it handily. Here is the dope: Concordia College has won the conference for the past four years and this year defeated Luther College, 48-0. Last week "Jonsey's" outfit beat Concordia, 7-0, and their remaining game is with Luther College.

"Jonsey" has been given another moniker since taking up his abode in the Husker State. He is known in those parts as "Tex" Jones.

Although a small college, having only about 200 students, Dana College is one of the best equipped schools in the middle West. Jones, alias, "Tex" writes that he has a \$125,000 gymnasium and that he has everything necessary for the development of a wonderful department of athletics.

CRAIN SHOT BIG EAGLE IN CHICKEN LOT MONDAY

H. W. Crain went to his chicken lot at his residence in the west part of town Monday noon and saw a large bald eagle there eating a chicken which it had killed. He secured his rifle from the house and killed the eagle. The bird was one of the largest seen here in many months.

It was surprising that the eagle dared come within the city limits during the middle of the day, as the large eagles are usually considered very cautious.

College High School Library Gets New Books

The high school department of the demonstration school of the West Texas State Teachers College has added forty books to its library during the past week. The gift was made by the high school boys and girls through the Student Council of which Quentin Ward is president. The money was made through a benefit show given through the courtesy of W. J. Wooten of the Olympic theater.

J. C. Baker, Jr., presented the books in behalf of the students, and Prof. F. E. Savage accepted them.

A book plate designed by the high school art class was adopted for use in the library. Athalie Wilder of Hereford designed the winning plate. Frances Holman and Novalie Hickox, both of Canyon won second and third places. Professors L. A. Osgood, Isabelle Robinson and Sarah Militia Hill composed the judges of the book plate. The demonstration school library has received several valuable gifts this year.
